The role

Northeastern University London wishes to appoint a Lecturer in Management Information Systems (teaching only). The appointee will contribute to the teaching activities of Northeastern University London in this area.

We wish to appoint a specialist in Management Information Systems. Preference may be given to candidates with active interests in the relationship of Business to one or more of the following areas: fintech and AI; sustainability and responsible management; employment contexts. Teaching competency in Management Information Systems to at least Level 5 is desirable (2nd year undergraduate).

Core duties will include teaching on a range of courses. The teaching should be interactive and engaging, rather than traditional lecturing. In addition, the appointee will mark assessments, hold office hours, and prepare and maintain relevant course Virtual Learning Environment (VLE) sites in accordance with University policies and student needs. Attendance at regular team and faculty meetings is desirable where possible. The role

requires availability for teaching on at least two separate days of the week, and may be more depending on contract fraction.

All teaching in this subject area takes place on **campus in central London**. This role is **not** suitable for those wishing to teach remotely/online or in a hybrid manner.

We particularly encourage applications from those with an interest in innovative teaching, learning and assessment; those with experience of supporting a wide variety of students; and those belonging to groups underrepresented in UK higher education. We are open to appointing on a reduced fraction/job-share basis subject to our business needs.

Discipline/ Faculty

The appointee will work in a multidisciplinary team within the Faculty of Social Sciences, as part of the rapidly growing Business and Project Management team, with potential contributions to programmes such as BSc Business, MSc Global Investment Banking, and MSc Project Management. In the 2024/25 academic year, the Business and Project Management team will comprise approximately 15 academic staff, working in a range of fields, including international business, marketing, accounting, responsible investing, organisational behaviour, and various areas of project management.

The Faculty of Social Sciences will have approximately 60 academic staff, including academics in Economics, Politics and International Relations, Sociology, Anthropology, Psychology, Design & Communication Studies.

About the University

Founded in 2012, Northeastern University London (formerly known as New College of the Humanities) has established itself as a prestigious higher education institution based in the heart of London. Northeastern University London is part of Northeastern University's Global Campus Network. Positioned as top ranking in the USA, Northeastern has campuses in Arlington, Boston, Charlotte, Miami, Oakland, San Jose, and Seattle in the USA, and Toronto and Vancouver in Canada.

After becoming part of Northeastern University's global network in early 2019, the University has undergone a period of rapid growth, having been granted Taught Degree Awarding Powers in February 2020 and moved to a new, state-of-the-art campus in 2021.

Northeastern University London offers a vibrant, collegiate community delivering broad and academically rigorous degree programmes, designed to equip graduates with the combination of skills and knowledge that are increasingly desired by organisations, employers, and society. It offers state of the art audio visual technology in its teaching and meeting spaces across the organisation.

Person Specification Criteria
