## Fees<sup>1</sup>

### Confirmation of Acceptance for Studies (CAS) Deposit

4. Students requiring a visa to study at the University will need to be provided with a Confirmation of Acceptance for Studies (CAS) in order to apply for a visa. Before the University will be able to issue your CAS, it needs to be satisfied of your intention to study and the University does this by requiring you to pay a deposit (the CAS Deposit) – this is in line with the practice in UK higher education. Below is an outline of the conditions relating to the CAS Deposit.

	CAS Deposit	Payable
Visa Student	£3,000	We must receive the CAS Deposit before we can issue a Confirmation of Acceptance for Studies (CAS). We can only issue a CAS a maximum of six months prior to the start of your programme. Please contact our <a href="#">Visa and Immigration Compliance Manager</a> for more details.

5. The CAS Deposit is set off against first term fees.<sup>2</sup>
6. The CAS Deposit is generally non-refundable or transferrable; however, the circumstances in which the CAS Deposit may be repaid (in whole or part) are as outlined in the [Cancellation, Withdrawal, Refund and Compensation Policy](#).

<sup>1</sup> This fees list is subject to change.

<sup>2</sup> If paying yearly, the CAS deposit will be deducted from the first year payment. Where paying termly, the CAS Deposit will be set off against the first term's fees. If paying monthly, the CAS Deposit will be offset equally across the first year's instalments.
